

DEDICATED ARTS INSTRUCTION CENTERS
in **DANCE + DRAMA + MUSIC + VISUAL ARTS**
for D.C. PUBLIC SCHOOL STUDENTS

Dear Friends of Fillmore School Representative,

THANK YOU!

We appreciate you joining our efforts to keep the creativity flowing out of our students' brains and the joy singing in their hearts, because that's what happens when children connect and learn in the arts. Fillmore Arts Center (FAC) is a unique setting that allows this special sort of education to take place.

The Friends of Fillmore (FoF) is a non-profit, volunteer board which supports the work of Fillmore Arts Center. Our group – made up of parent representatives from our feeder schools, Fillmore staff, and community members – provides communications, fundraising, and event support for the activities of Fillmore. Funds raised by FoF go directly back to the Center to purchase art supplies, instruments, and other necessary items for arts delivery, as well as support summer camp scholarships.

As a completely volunteer body we truly value your efforts to keep your Home School in the know about Fillmore's activities, to remind your fellow parents, friends, and community members to donate to Fillmore and participate in our events, and to contribute whatever energy or expertise you can share to make Fillmore Arts Center a success.

We have put together this informational package to help you understand the history, structure, and operations of FoF and FAC, so you can speak with confidence about our activities when asked by your fellow parents or others who may be curious about us.

Please look over the enclosed materials, visit our website (www.friendsofillmore.org), and make sure to join our Google group and Email Newsletter list (subscribe from the FoF website).

Again, many thanks for your service on the Friends of Fillmore Board.

Sincerely,
Kelly Richmond
